Objectives

Article 3 of the deed of incorporation of Stichting Changing Markets, describes the aim of the Foundation as follows:

The objectives of the Foundation are to enhance quality of life for people and to protect the natural environment, as also to accept bequests with the benefit of inventory and to perform all such further acts and activities as are in the widest sense connected therewith, incidental thereto and/ or which may be conducive thereto.

The Foundation seeks to achieve these objectives by:

- Promoting the understanding of the opportunities that exist to address the social and environmental aspects of sustainability by driving change in the behaviour and performance of companies and the use of market forces to accelerate change;
- Publication of research papers;
- Engaging in public debate;
- Providing funding and strategic advice to community based non-governmental organisations.
